STAR/NESDIS/NOAA-CREST

3rd Joint Annual Technical Meeting

November 28-29, 2012

1:00 PM to 5:30 PM on 11/28 and 9:00 AM to 5:00 PM on 11/29

NOAA Center for Weather and Climate Prediction (NCWCP) Auditorium

University of Maryland M-Square Research Park,

5830 University Research Court, College Park, MD

NOAA-CREST is one of the four Cooperative Science Centers funded by NOAA's Office of Education, Educational Partnership Program.

For more information about CREST visit the website: www.crest.ccny.cuny.edu

Theme

**NOAA/CREST Partnerships: Remote Sensing Science, Service and Stewardship
Addressing National, State and Local Priorities.**

The goals and objectives of the meeting are -

To discuss potential future activities that will leverage each partner's unique strengths and engage the user communities in need of the information that we can provide.

Discussions will include:

- *Preparing or getting ready for GOES-R and JPSS;*
- *Transitioning CREST research to NOAA operations and other appropriate users;*
- *Identifying NOAA research for applications at CREST and for other appropriate users; and,*
- *Exploring synergistic research areas.*
